

ANIMAL DISASTER EMERGENCY KIT CHECKLIST

When disaster strikes, it's crucial to have a plan in place for your furry friends. Our infographic provides a concise checklist of essential items to include in your animal emergency kit.

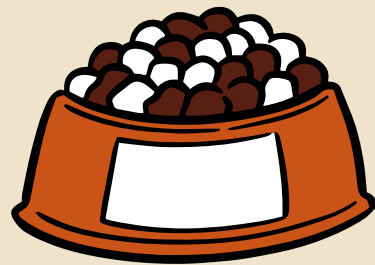

First Aid Kit

Create a pet-specific first aid kit with essential supplies like bandages & antiseptic wipes

Food and Water

Pack a sufficient supply of pet food (dry or canned) and bottled water

Medications and Medical Records:

Include any necessary medications your pet may need, along with copies of their medical records and vaccination history.

Collar, Leash, & ID Tags

Have a sturdy collar, a leash, and ID tags with up-to-date contact information securely attached to your pet.

Also prepare a safe and comfortable carrier or crate for each pet

Emergency Telephone numbers

Keep a list of important contact numbers, including your veterinarian's office, local animal shelters, and emergency pet hospitals.
